

May 2, 1975

SENATOR DWORAK: Mr. President, I move that LB 387 be advanced to E & R for engrossment.

PRESIDENT: Discussion? The question is the advancement of 387. All those in favor say aye, contrary nay. The bill is advanced.

SENATOR DWORAK: Mr. President, I move the adoption of the E & R amendments to LB 443.

PRESIDENT: Discussion? All those in favor say aye, contrary say nay. The amendments are adopted.

SENATOR DWORAK: Mr. President, I move that LB 443 be advanced to E & R for engrossment.

PRESIDENT: Discussion? All those in favor say aye, contrary nay. The amendments are adopted. Mr. Clerk.

CLERK: That's on 443?

PRESIDENT: 443. Oh, did you move to advance that bill, Senator?

SENATOR DWORAK: Yes.

PRESIDENT: Alright . . .

CLERK: Now, Mr. President, on 443A there are no E & R amendments, but Senator Fowler offers an amendment. On page 2, line 5, insert "in Program 305" after the word "existing". Signed, Senator Fowler.

SENATOR FOWLER: Mr. President, members of the Legislature, this amendment was brought to me by the Legislative Fiscal Analysts Office. It's to clarify a part of the appropriations bill with regard to reappropriating funds relapsing from last year. The way the A bill is now all general fund money left over in the Department of Roads would be put into this program, and that's certainly not the intent, it's simply the funds left over from the program last year. I'd ask for adoption of this amendment. It's just a technical amendment from the Fiscal Analysts Office.

PRESIDENT: The question is the . . . any further discussion? The question is the adoption of Senator Fowler's amendment to 443A. Record your vote. Have you voted? Record.

CLERK: 25 ayes, 1 nay.

PRESIDENT: The amendment is adopted. Senator Dworak, do you want to advance 443A?

SENATOR DWORAK: I move that LB 443A be advanced to E & R for engrossment.

PRESIDENT: Discussion? The question is the advancement of the bill. All those in favor say aye, contrary nay. The bill is advanced.
